Tuesday, 20 September 2016

8.30AM – 12.30PM

Hilton Kuala Lumpur
Accord Room, Level 6
Jalan Stesen Sentral 3
Kuala Lumpur

in collaboration with

GOING OR GONE REGIONAL? STRUCTURING YOUR BUSINESS EXPANSION VIA LABUAN IBFC

Each year, hundreds of entrepreneurial and growing Malaysian companies consider regional or international expansion as a pivot to their growth strategy. In fact, as your domestic businesses reach maturity, ambitions for regional or international expansion are only natural. The real question is, how can this expansion be achieved in the most cost effective and lucrative manner?

In order to fully benefit from this change in business trajectory, it might be useful to fully equip yourself and your management team with the intricacies of cross-border corporate structuring and tax planning.

Come join us to find out how Labuan IBFC, is a natural choice for Malaysian companies looking to expand beyond our shores, and how we can assist in achieving your regional aims.

Featured Speaker

Chee Pei Pei

Financial Services and Insurance Leader, Deloitte Malaysia

Pei Pei has more than 20 years of tax experience in the public accounting practice with Deloitte in both corporate and individual taxation. She has considerable experience in managing corporate tax engagements and her clients include multinational group as well as companies listed on Kuala Lumpur Stock Exchange.

Her main practice areas include all aspects of direct taxes, such as income tax, corporate tax, real property gains tax, tax incentives for investments, expatriate taxes, Labuan business activity tax and Labuan entities. She is currently the FSI tax leader and has experience in advising on financial investment products which amongst others include private equity funds via limited partnership, structured warrants, subordinated loan arrangements, asset back securitization and insurance related products.

Pei Pei also has extensive experience in advising on withholding taxes and permanent establishment and regularly involved in tax audit matters with the Authorities. She has also advised on group restructuring exercise and has experience in advising MNCs on the appropriate tax incentives available. Her experience includes providing advice specially on EPCC projects and managing of their expatriate employees' tax affairs.

Pei Pei graduated with a Bachelor of Management (majoring in Finance and Accounting) from Universiti Sains Malaysia and is a member of Chartered Tax Institute of Malaysia (CTIM).
