**3.00PM**      **Welcome Remarks by** Exco Member, MICCI and Rep., Labuan IBFC Inc.

**3.10PM**      **Presentation - Enabling International Growth with Labuan IBFC, Malaysia**

- Overview of Labuan IBFC and its role as an international business and financial centre
- Strategic advantages of Labuan IBFC for regional expansion and cross-border business activities
- How corporates, investors, and family-owned businesses can utilise Labuan structures to support international operations, investments, and growth

**3.30PM**      **Panel Discussion: Structuring Regional and Cross-Border Expansion through Labuan IBFC, Malaysia**

This panel will explore the practical application of Labuan IBFC as a strategic platform for regional expansion, cross-border investments, and international business structuring. Bringing together industry practitioners and advisers, the discussion will provide practical perspectives on how businesses can leverage Labuan IBFC to support regional growth, operational efficiency, and cross-border transactions across Asia and beyond. Discussions will include:

- Structuring regional and cross-border business operations
- Leveraging Labuan structures for international expansion and investments
- Holding company and SPV solutions for global business activities
- Banking, investment, and operational considerations for regional growth
- Risk mitigation and governance strategies for cross-border expansion
- Practical insights and use cases from industry practitioners on scaling internationally

**4.30PM**      **Ends**
