Labuan IBFC and Bank Islam Trust Company (Labuan) Ltd will host a masterclass entitled "Labuan IBFC: Your Gateway to Asia for Islamic Wealth Management, Investment and Digital Needs" on 9 May 2024 at 10.30AM.

This masterclass will showcase how corporates and investors can use Labuan IBFC for their fund raising and investment needs. There will also be discussions on how to leverage on Labuan's Islamic Digital Asset Centre (IDAC) through wealth management and investment structures. Explore the dynamic synergy between IDAC, wealth management focusing on Foundation and Charitable Foundations, asset investment strategies, uncovering innovative avenues for fundraising and sustainable financial growth.

Join us as we bring together leading experts across digital financial services, fintech and Islamic finance who will shed light on innovative strategies and opportunities tailored to meet your wealth management objectives.
