

## CoDE Asia 2021

*“Future Forward: Next Gen Digital Ecosystems”*

Live Virtual Conference | Thursday, 21 October 2021 | 3.00PM (GMT+8)

### AGENDA

#### 3.00PM **From the Desk of the Director General: A Welcome**

**Nik Mohamed Din Nik Musa**

*Director General, Labuan Financial Services Authority*

#### 3.10PM **Future Finance: Reimagining Financial Intermediation**

Digitalisation has been touted as the harbinger of all things great and good, by enhancing efficiencies in markets, whilst facilitating inclusion. It has forced the once opaque world of finance to be transparent, especially with the adoption of concepts such as peer to peer matching, fractionalisation of asset classes made even more viable via developments in decentralized finance. Join us as the panel discusses latest developments in digitalisation of the financial services and its outlook.

*Speakers:*

- **Cecilia Chan**, *Head of Liquidity (Asia), Broctagon*
