LABUAN IBFC ASSET LEASING SYMPOSIUM 2018 “MEETING THE NEEDS OF TRANSPARENCY AND SUBSTANCE”

The Asset Leasing Symposium 2018 themed “Meeting the Needs of Transparency and Substance” is aimed at discussing the latest developments in global asset leasing regulations, and key changes that will be facing the industry in Asia and beyond.

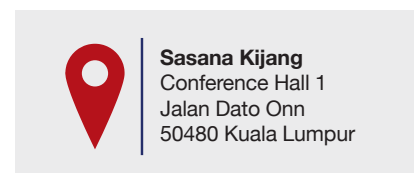

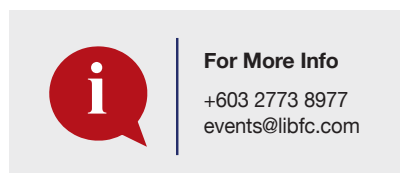

The event will also highlight the recently revised asset leasing guidelines applied in Labuan IBFC and how this will impact leasing entities, companies, corporate advisors and legal professionals, when structuring their leasing arrangements via the jurisdiction. Furthermore, with Asia’s aviation sector being the largest and fastest growing in the world, the symposium will also explore the potential of aircraft leasing in Asia Pacific.

Join us to learn the latest developments in asset leasing, and better understand the changing landscape of the industry as global standards for substance and transparency begin to make its presence felt.
