

# CONNECTING DIGITAL ECOSYSTEMS ASIA

Thursday, 12 December 2019 • AIAC, Kuala Lumpur

The speed at which technology has accelerated changes in our everyday life, and by extension the financial services industry, has required everyone to step up and embrace holistic digital transformation. Join the inaugural CoDE Asia 2019, which will explore these digital ecosystems, through discussions centered on trends and issues arising from the convergence of digital innovations.

Explore the challenges and opportunities brought about by digital innovation, while listening to regional trailblazing experts in the field discuss:

- **Industry 4.0: Trends, opportunities and challenges**
- **How to create a sustainable ecosystem between conventional and digital finance**
- **Their respective start-ups, the change they are looking to initiate and the experience so far**
- **Full proof strategies essential in attracting venture investors to your start-up!**

## AGENDA

**08:45AM Registration and Morning Coffee**

**09:30AM Welcome Address**

**Danial Mah Abdullah**, Director-General, Labuan Financial Services Authority

**10:00AM Digital Finance Intermediation: Industry 4.0 and Beyond**

The session will provide an overview of the digital asset and finance industry, including current and emerging trends globally. Panelists will discuss on the underlying implications of these trends, as well as opportunities and challenges in this rapidly evolving space.

**10:50AM Facilitating Asia's Digital Revolution: Curating a Sustainable Ecosystem**

Identify and bridge the gaps between conventional and digital finance by examining differences in mindset, culture and ethos. Once bridged, would the universal acceptability of digital innovation and fintech provide a pathway for the convergence of both worlds?

**11:40AM Digital Trailblazers: Raw Insights from the Ether**

Hear from leading players about their respective digital journeys, challenges they have had to overcome enroute towards the successful launch of their digital ventures.

**12:30AM Networking Lunch**

**02:00PM Great Idea! Now What?**

With Asia being the growth engine of the world and is home to a robust digital economy, local start-ups are sitting high on the radar of global investors. What are investors looking for in regional start-ups? How are these criteria different compared to other markets?

**02:50PM Regional Fintech Mashup**

Around the region, what were the milestones for the year and what may we look forward to in 2020 and beyond? Join representatives from Digital and Fintech Associations, to better understand their outlook for the industry, potential upside and pitfalls moving forward.

**03:50PM Ends with Afternoon Tea**
